Cookie Policy

This policy specifically explains how “Apcotex Industries Limited” (hereinafter referred to as "we", "us", "our", COMPANY in this policy.

We, our partners, and users of our services deploy cookies, as well as the options you as Data Principal (“means any identified or identifiable individual to whom personal data relates”) have to control them accordance with the Digital Personal Data Protection Act (DPDPA).

What are cookies?

Cookies are small pieces of data, stored in text files, that are stored on your computer or other device when websites are loaded in a browser to make the user’s experience more efficient. They ensure a consistent and efficient experience for visitors, and perform essential functions such as allowing users to register and remain logged in.

How we use cookies?

Our website uses cookies. We use cookies for a number of different purposes such as to personalise content and ads, to provide social media features and to analyse our traffic. Some cookies are necessary for technical reasons; some enable a personalized experience for both visitors and registered users; and some allow the display of advertising from selected third party networks.

We will only store cookies on your device without prior consent if they are strictly necessary for the operation of this website. For all other types of cookies (including analytics and marketing), we require your explicit, affirmative consent before they are deployed to your device.

Where we place cookies?

We set cookies in a number of different locations across our services. These include:

- On our websites
- In the administrative dashboards of our websites
- On sites we host for our users.
- On sites that use our plugins
- In the emails we send.

This site uses different types of cookies. Some cookies are placed by third party services that appear on our pages.

Your consent applies to the following domains: <https://apcotex.com/>

Categories of Cookies

The table below explains the categories of cookies we use on our websites and why we use them.

Category of cookies	Why we use these cookies
Strictly Necessary Cookies	These cookies are essential for our websites and

	services to perform basic functions and are necessary for us to operate certain features. We use session cookies to maintain a user's session state across page requests, ensuring a seamless experience while navigating our website; these cookies are temporary and expire once the user logs off or closes the browser. These do not require consent.
Analytics and Performance	These cookies allow us to optimize performance by collecting information on how users interact with our websites, including which pages are visited most, as well as other analytical data. We use these details to improve how our websites function and to understand how users interact with them. These require your explicit opt-in consent.

First-Party and Third-Party Cookies

First-Party Cookies

First-party cookies are placed directly by our website and are generally used to provide core website functionality.

Current first-party cookie:

- PHPSESSID
- Google Analytics (_ga)
- Google Analytics (_ga_NZ3HJNTZXC)
- Google Analytics (_gat_gtag_UA_43142532_1)
- Google Analytics (_gid)

Google Analytics is provided by Google. Information collected through Google Analytics may be processed by Google in accordance with its applicable privacy practices. We encourage you to review Google's Privacy Policy and information regarding the use of Google Analytics for additional details.

In addition, people and companies that use our services to publish or host their own sites may place additional cookies. We provide more information on these cookies below.

Strictly Necessary (1)

Strictly Necessary cookies help make a website usable by enabling basic functions like page navigation and access to secure areas of the website. The website cannot function properly without these cookies.

Name	Provider	Type	Expiry	Purpose
PHPSESSID	apcotex.com	First-party	Session	Cookie generated by applications based on the PHP language. This is a general-

				purpose identifier used to maintain user session variables. It is normally a random generated number, how it is used can be specific to the site, but a good example is maintaining a logged-in status for a user between pages.

Analytics and Performance (3)

Performance cookies are used to understand and analyse the key performance indexes of the website which helps in delivering a better user experience for the visitors.

Name	Provider	Type	Expiry	Purpose
_ga_NZ3HJNTZXC	apcotex.com	First-party	1 year 1 month	This cookie is used by Google Analytics to persist session state.
_ga	apcotex.com	First-party	1 year 1 month	This cookie is used to distinguish unique users by assigning a randomly generated number as a client identifier. It is included in each page request in a site and used to calculate visitor, session and campaign data for the sites analytics reports.
_gid	apcotex.com	First-party	1 day	This cookie is set by Google Analytics. It stores and update a unique value for each page visited and is used to count and track pageviews.
_gat_gtag_UA_43142532_1	apcotex.com	First-party	54 seconds	This cookie is part of Google Analytics and is used to limit requests (throttle request rate).

Analytics cookies are placed on your device only after you provide your consent through our Cookie Consent Banner. You may accept, reject, or customise your cookie preferences and may withdraw your consent at any time through the Cookie Preferences option available on our website.

How can you refuse or withdraw your consent to the use of cookies?

Under the DPDPA, you have the right to withdraw your consent at any time, and withdrawing consent is just as easy as giving it.

If you do not want cookies to be placed on your device, we suggest you to set your preferences regarding Cookies. By clicking "Cookie Preferences" on the bottom of each webpage, you can select the types of Cookies our website uses. You can change your preferences at any time; you can also withdraw the consent you have previously given to us.

If you wish to remove previously-stored cookies, you can manually delete the cookies at any time from your browser settings. However, this will not prevent our Site from placing further Cookies on your device unless and until you adjust your "Cookie Preferences" choice.
